Re: Case No. 18-E-0206 - Residential Electric Vehicle (EV) Charging Tariff – Postponement Filing

Dear Secretary Burgess:

The enclosed Supplements, issued by New York State Electric & Gas Corporation ("NYSEG") and Rochester Gas and Electric Corporation ("RG&E") (together the "Companies"), are transmitted for filing in accordance with the requirements of the New York State Public Service Commission.

Supplement No. 51 to PSC No. 120 – Electricity  
Supplement No. 63 to PSC No. 19 – Electricity

Effective: October 10, 2018

These postponement supplements are being filed per discussions with Department of Public Service Staff. These supplements postpone the effective date of the filed tariff leaves until December 1, 2018. The Companies request these supplements become effective on short notice and take effect on September 15, 2018.

The Companies respectfully request the requirements of Section 66(12)(b) of the Public Service Law regarding newspaper publication be waived as residential customers will be directly notified of the new Special Provision via bill messages or a bill insert. The Companies will also include information on its website regarding the new residential EV charging tariff.

If you have any questions concerning this filing, please contact me at (585) 484-6810.

Respectfully submitted,

A handwritten signature in cursive script that reads "Lori A. Cole".
