Dear Secretary Burgess:

The amended tariff leaves set forth below are filed by Central Hudson Gas & Electric Corporation ("Central Hudson" or the "Company") on July 19, 2018 to become effective July 20, 2018.

P.S.C. No. 12 – Gas

22nd Revised Leaf No. 68

9th Revised Leaf No. 129

The purpose of this filing is to make housekeeping changes to existing tariff language as supplemental/further revision to the RY1 compliance filing in the aforementioned case.

The effective date of the Gas Factor of Adjustment as described on Leaf No. 68, General Information Section 27 was amended to become effective with the first billing batch of November rather than November 1 to align the updated factor of adjustment with the Company's November billing cycle.

The amendment to Gas Leaf No. 129, General Information Section 42 – Revenue per Customer (RPC) Targets updates the Case reference from 14-G-0139 to 17-G-0460 and Rate Year ending June 30, 2018 to 2021.

As the Company considers these amendments housekeeping changes with no direct impact to customers and RY1 Compliance publication is commencing, the Company requests that the requirements of §66(12)(b) of the Public Service Law as to newspaper publication for the amendments listed herein be waived.

Questions related to this filing should be directed to Linda VanEtten at (845) 486-5554 or lvanetten@cenhud.com.
