Dear Secretary Burgess:

**Purpose of the Filing**

The Company is filing the tariff amendment to correct the revision number and reflect the housekeeping changes from the May 29, 2018 filing in Case 18-M-0336 with the changes approved by the Order. The Company is removing the designation for "not available for new installations or for replacement" for High Pressure Sodium Lamps.

**Publication**

The Companies request waiver of publication of these proposed changes in accordance with Section 66(12)(b) of the Public Service Law and 16 NYCRR Section 720-8.1, as these "housekeeping" revisions have no direct impact on the Company's customers.
