Re: Tariff Filing by Rochester Gas and Electric Corporation to Revise its Electric Tariff Schedule, P.S.C. No. 18, to Modify Existing and Offer Additional Company-Owned LED Street Lighting Options for Customers Served Under Service Classification No. 1.

Dear Secretary Burgess:

Rochester Gas and Electric Corporation ("RG&E") (the "Company"), subsidiary of Avangrid, Inc. ("AVANGRID"), hereby submits the enclosed tariff leaf in compliance with the requirements of Appendix 7-H (electronic tariff filing system) to the New York State Public Service Commission's (the "Commission") Codes, Rules and Regulations (16 NYCRR Appendix 7-H).

The revised tariff leaf is to become effective April 23, 2018.

RG&E PSC No. 18 - Electric  
Leaf No. 29.1, Revision 1

**Purpose of Filing**

The Company had submitted a filing on March 6, 2018, proposing revisions to the LED offerings in its tariff. After discussions with Staff, the Company is filing a change to Leaf No. 29.1 to show each Rate Year.

**Newspaper Publication**

The Company requests that the requirements of Section 66(12)(b) of the New York Public Service Law and 16 NYCRR Section 720-8.1 as to newspaper publication be waived as these revisions only affect municipal customers, and the Company will notify customers when contacted to convert their existing street lights to LEDs. Additionally, these revisions do not constitute a "major change" under New York Public Service Law Section 66(12)(c).
