Re: Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations of New York American Water Company, Inc. for Water Service Case No. 16-W-0259

Dear Secretary Burgess:

Enclosed herewith for filing is a further revision to New York American Water Company, Inc.'s Tariff, P.S.C. No. 5 – Water, Rate Year 2 compliance filing effective April 1, 2018, on a temporary basis. One of the rates was mistakenly not updated with Second Revised Leaf No. 69 that was submitted on March 2, 2018. Third Revised Leaf No. 69 corrects that oversight.

This further revision reflects such tariff changes necessary to effectuate the terms of the Order for the rates in the rate year ending March 31, 2019, pursuant to ordering paragraph number 5 of the New York State Public Service Commission Order issued and effective May 18, 2017, in Case 16-W-0259. Newspaper publication of the Rate Year 2 rates pursuant to ordering paragraph number 7 of the Order will reflect the correct rates in this Third Revised Leaf No. 69 as well as those reflected in our March 2, 2018 tariff filing.

Respectfully submitted,

/s/ John T. Dillon
