**RE: Case 19-G-0310 – Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations of KeySpan Gas East Corp. d/b/a National Grid for Gas Service.**

**Earnings Adjustment Mechanism (“EAM”) for KeySpan Gas East Corp. d/b/a National Grid**

Dear Secretary Phillips:

In accordance with the Joint Proposal approved by the Public Service Commission in an Order dated August 12, 2021 in the above-captioned matter (the “Order”), KeySpan Gas East Corp. d/b/a National Grid (“KEDLI”) submits its Statement of Earnings Adjustment Mechanism (“EAM”) in compliance with Section 3.20, as well as Leaf 119.52.5 of the Company’s tariff, PSC No. 1 – Gas.

The purpose of this filing is to amend EAM Statement No. 1 regarding the inclusion of ‘exclusive of EJP’ in the header that appears on the statement. In the initial filing that was made on September 28, 2021, the Company inadvertently included ‘exclusive of EJP’ in the header of the statement which is not consistent with the Tariff. The removal of the ‘exclusive of EJP’ in the header has no impact because there are no EJP customers currently being billed and does not impact the EAM rates as filed on September 28, 2021.

Statement of Earnings Adjustment Mechanism (“EAM”) Surcharge No. 2

To PSC No. 1 Gas

Effective: November 1, 2021
