Re: Case 19-G-0066 - Statement of Delivery Revenue Surcharge

Dear Secretary Phillips:

Consolidated Edison Company of New York, Inc. (the "Company") is filing Statement of Delivery Revenue Surcharge ("SDR") No. 17 applicable to billings under the Company's Schedule for Gas Service, P.S.C. No. 9 – Gas ("Gas Tariff"), applicable to its customers in the City of New York and the County of Westchester:

SDR – Statement No. 17 to P.S.C. No. 9 - Gas

The SDR Statement is being issued on March 25, 2021 to become effective on April 1, 2021.

Explanation of Filing

In its Order Adopting Terms of Joint Proposal and Establishing Electric and Gas Rate Plan, issued and effective January 16, 2020, in Case 19-G-0066 (the "January 2020 Order"), the Commission approved a three-year gas rate plan for the 12-month rate years ending December 31, 2020, December 31, 2021 and December 31, 2022. The January 2020 Order directed the Company to recover shortfalls and refund over-collections, with interest, that resulted from the Commission's extension of the suspension period in that case. This was implemented through a "make-whole" provision over the 10 months commencing March 1, 2020.¹ On January 29, 2020, the Company filed changes to its Gas Tariff,² effective February 1, 2020, specifying that Pure Base Revenue differences plus interest would be collected/refunded through the SDR applicable under the Gas Tariff. The Gas Tariff also indicates that the differences between the amounts required to be collected through the SDR and the actual amounts collected would be

¹ As specified on pages 19 and 20 of the January 2020 Order.

² As specified on leaf 183.2, General Information IX. 20. of the Gas Tariff.

Honorable Michelle L. Phillips

charged or credited to customers through the SDR over a reasonable period of time after December 31, 2020.

On February 24, 2021, the Company filed SDR Statement No. 16 which set the rates to reconcile these differences over a one-month period commencing March 1, 2021. The Company is now filing SDR Statement No. 17 to set the SDR rates to zero, to be effective April 1, 2021, since the reconciliation period has ended.

Pursuant to the Gas Tariff, the SDR is filed with the Commission no less than three days before its effective date.

Any questions regarding this filing can be directed to Margaret Lenz at 212-460-2217.

Very truly yours,

/s/ William A. Atzl, Jr.
Director
Rate Engineering Department
