RE: Case 19-E-0566- Joint Petition for Certain Amendments to the New York State Standardized Interconnection Requirements (SIR) for New Distributed Generators and Energy Storage Systems 5 MW or Less Connected in Parallel with Utility Distributed Systems

Dear Secretary Phillips:

The attached addendum, issued by Niagara Mohawk Power Corporation d/b/a National Grid ("Company"), is being transmitted for filing in compliance with the order issued December 13, 2019 by the New York State Public Service Commission ("Commission") in the above case number ("Order").

Addendum No. 10 – SIR
To P.S.C. No. 220 Electricity
Effective: February 3, 2020

This filing is being made in compliance with Ordering Clause No. 1 of the Order, which directed the utilities to make tariff filings to incorporate into their electric tariffs the revised Standard Interconnection Requirements and to remove any inconsistent tariff provisions. This tariff amendment is to become effective on not less than one day's notice, to take effect on February 3, 2020, based on the extension granted by the Secretary on December 30, 2019.

In addition, per Ordering Clause No. 3 of the Order, the requirements of Public Services Law Section 66(12)(b) and 16 NYCRR Section 720-8.1 related to newspaper publication of these tariff amendments are waived.

Please advise the undersigned of any action taken regarding this filing.

Sincerely,

/s/ Carol Teixeira
