RE: Annual Electric RDM Adjustment

Dear Secretary Phillips:

Orange and Rockland Utilities, Inc. (the "Company") hereby submits for filing Statement RDM-14 to its Schedule for Electric Service, P.S.C. No. 3 – ELECTRICITY ("Electric Tariff"). This statement is issued January 22, 2020 to become effective February 1, 2020.

The purpose of this filing is to implement the reconciliation of the Company's electric revenue decoupling mechanism for the period November 1, 2018 through December 31, 2018 ("Stub Period") and January 1, 2019 through December 31, 2019 ("Rate Year 1") in accordance with General Information Section No. 30, Revenue Decoupling Mechanism ("RDM") Adjustment, of the Electric Tariff.

The cumulative net delivery excess revenue for the Stub Period and Rate Year 1 is \$1,848,438, including interest.

Customer group-specific RDM Adjustments have been determined to refund the net delivery revenue excess over the twelve-month period commencing February 1, 2020.

Attached as Appendix A to this filing are work papers showing the calculation of the RDM Adjustments set forth on Statement RDM-14.

Questions regarding this filing can be directed to Cheryl Ruggiero at (212) 460-3189.

Very truly yours,

/s/

William A. Atzl, Jr.  
Director – Rate Engineering
