1. *Re: CASE 16-M-0330 - Cancellation of tariff filing by the City of Jamestown – Revised tariff leaf for P.S.C. No. 7, Electricity, containing provisions for pole attachment rates Leaf No. 91, Revision 3*

Dear Secretary Phillips:

On July 31, 2019 the City of Jamestown (Jamestown) made a tariff filing to add rates for wireless pole attachments, contained in P.S.C. No. 7 – Electricity consistent with the Commission's Order in Case No. 16-M-0330. Pursuant to Commission order issued and effective November 18, 2019 Jamestown was directed to file a cancellation supplement on or before November 27, 2019, cancelling the filing. The Commission also directed Jamestown to file further tariff revisions establishing pole attachment rates consistent with its order.

Pursuant to the Commission's order, attached for filing are the following:

Supplement No. 8 to P.S.C. No. 7 – Electricity
Leaf 91, Revision 4, Superseding Revision 2

In compliance with the Commission's November 18th order, the attached Supplement No. 8, cancels Jamestown's July 31, 2019 filing, and Revised Leaf 91 replaces the previous filing with revised attachment rates. In compliance with ordering paragraph 2 the proposed supplement has an effective date of November 27, 2019. In compliance with ordering paragraph 3, the tariff revision has an effective date of November 29, 2019.

In accordance with ordering paragraph 4, and as no customers will be affected by this filing, the City of Jamestown BPU requests a waiver of newspaper publication of the Supplement.

Respectfully submitted,

David L. Leathers
General Manager
