**Re: Proposed Tariff Revisions – General Housekeeping**

Dear Acting Secretary Phillips,

National Fuel Gas Distribution Corporation (“Distribution” or the “Company”) hereby submits the following revisions to its tariff, P.S.C. No. 9 – GAS:

<u>Section No.</u>	<u>Leaf No.</u>	<u>Revision No.</u>	<u>Superseding Revision No.</u>
0	43	3	2

By way of background, this is a filing to make general housekeeping corrections to Leaf 43 of the Company’s tariff. Specifically, the proposed revision to Leaf 43 corrects a typographical error and further clarifies the Company’s tariff language that is currently in effect. These changes have a proposed initial effective date of April 1, 2020.

Concurrent with this filing, Distribution respectfully requests a waiver from the requirements of Public Service Law §66(12) and 16 NYCRR §720-8.1, pertaining to newspaper publication. The proposed tariff changes are being made for consistency and clarification purposes, the revisions are largely non-substantive in customer effect, and therefore the expense of publication would not serve the public interest.

If you have any questions regarding the Company’s tariff filing, please contact me at your convenience.

Respectfully submitted,
