Re: Case No. 16-M-0330 - Filing of Suspension Supplements

Dear Secretary Burgess:

The enclosed suspension supplements, issued by New York State Electric & Gas Corporation ("NYSEG") and Rochester Gas and Electric Corporation ("RG&E") (together the "Companies"), are being transmitted for filing in compliance and accordance with Appendix 7-H (electronic tariff filing system) of the New York State Public Service Commission's ("PSC" or "Commission") Codes, Rules and Regulations (16 NYCRR Appendix 7-H).

Supplement No. 18 to PSC No. 119 - Electricity
Supplement No. 66 to PSC No. 19 – Electricity

Effective: July 26, 2019.

These suspension supplements are being filed in compliance with the Commission's Order Suspending Wireless Pole Attachment Rate Tariff Filings and Granting a Filing Extension to the New York Municipality Power Agency ("Order"), issued and effective July 16, 2019, in Case No. 16-M-0330. The Order provided that the wireline and wireless attachment rates should be updated concurrently¹, and therefore, as directed by the Order, these supplements suspend the effective date of the filed tariff leaves and POLE Statements through November 28, 2019, unless otherwise ordered by the Commission.

If you have any questions concerning this filing, please me at (585) 484-6810.

Very truly yours,
