RE: Case 18-M-0679 – In the Matter of the 2018 Amendment to the Public Service Law, Section 39.4, Relating to the Discontinuation of Utility Service to Residential Customers.

Dear Secretary Burgess:

Enclosed is the following tariff leaf transmitted for filing by Niagara Mohawk Power Corporation d/b/a National Grid (“Company”) in connection with the newly enacted New York Public Service Law Section 39, subdivision 4.

Sixth Revised Leaf No. 62
Original Leaf 62.1

To Schedule for Gas Service, P.S.C. 219-GAS

Effective: 05/01/2019

The Company originally filed Leaf 62 to include language regarding a customer’s ability to request that their meters be read on a date other than the customer’s regularly scheduled meter read date at the associated fee. After an initial filing of the second revision to Leaf 62 on November 8, 2018, the Company is further revising this tariff leaf to clarify that subject to certain conditions, when a customer is disconnecting service and so requests, the Company is required to provide an actual meter read within 48 hours of the customer’s request.

Given the newly enacted statute went into effect immediately upon being signed by the Governor on August 24, 2018, waiver of the newspaper publication requirements of PSL §66-12 and 16NYCRR 720.8 is requested for this filing.

In accordance with Section 720-2.3 of the Commission’s Regulations, a proposed notice of this filing suitable for use under the State Administrative Procedure Act is also enclosed.

Please contact me with any questions regarding this letter or the enclosure at (315) 428-6533.

Respectfully Submitted,

/s/ Kellie I. Smith
