Dear Secretary Burgess:

In accordance with General Information, Section 29 of P.S.C. No. 15 - Electricity, the Statement of Miscellaneous Charge, including the Miscellaneous Factor II Surcharge, listed below is filed to become effective March 4, 2019.

P.S.C. No. 15 – Electricity

Statement of Miscellaneous Charge - MISC 221

On January 17, 2019 the Company filed Miscellaneous Statement 219 to become effective February 1, 2019. After further review and analysis it was discovered that additional costs related to non-wires alternative projects that were incurred in 2018 were not included in the calculation. Miscellaneous Statement 221, includes these additional costs.

The purpose of this surcharge is to recover the costs of the Company's non-wires alternative infrastructure project approved for recovery pursuant to the July 15, 2016 Order in Case 14-E-0318 from all delivery customers served under this schedule.
