Re: Statement of Value of Distributed Energy Resources – Cost Recovery

Dear Secretary Phillips:

In accordance with General Information Section 29 of P.S.C. No. 15 – Electricity, the Statement of Value of Distributed Energy Resources – Cost Recovery listed below is filed to become effective December 11, 2020 on not less than three days' notice:

PSC No. 15 – Electricity

Statement of Value of Distributed Energy Resources – Cost Recovery – VDER-CR 31

The purpose of this filing is to revise the applicable factors to recover the actual costs associated with compensation paid under the Value Stack provision of General Information Section 48.B, Value of Distributed Energy Resources in November 2020. These costs were combined with the reconciled costs for the month of August 2020 for which collections were completed in November. This compensation will be recovered through the Market Price Charge and Miscellaneous Charge components of the Energy Cost Adjustment Mechanism, which were also filed today to become effective December 11, 2020.

Questions related to this filing should be directed to Jay Tompkins at jtompkins@cenhud.com or at (845) 486-5203.

Yours very truly,

Christopher M. Capone
Executive Vice President & CFO
