RE: Filing to Reset Gas Factor of Adjustment

Dear Secretary Phillips:

Orange and Rockland Utilities, Inc. (the "Company") hereby submits for filing the 22nd Revised Leaf No. 72 proposing revisions to its Schedule for Gas Service, P.S.C. No. 4 – GAS ("Gas Tariff").

This tariff leaf is issued October 1, 2020, to become effective November 1, 2020. This filing is made pursuant to General Information Section No. 12.1(A) of the Company's Gas Tariff.

The purpose of this filing is to update the Factor of Adjustment ("FOA") as contained in General Information Section No. 12.1(A). The FOA is used to adjust the cost of gas to reflect lost and unaccounted for gas for each twelve-month period commencing November 1 based upon the average of actual line losses for the preceding five twelve-month periods ending August. The FOA effective November 1, 2020 will remain at 1.0109. The FOA is based on the average of actual line losses for the five-year period ended August 31, 2020.

Please direct any questions regarding this filing to Cheryl Ruggiero at (212) 460-3189.

Very truly yours,

/s/

William A. Atzl, Jr.
Director – Rate Engineering
