This filing is made in compliance with the Public Service Commission (“Commission”) *Order Regarding Consolidated Billing for Community Distributed Generation*, issued and effective December 12, 2019 (the “Order”), and the extensions granted on May 29, 2020 and July 29, 2020 extending the date of this compliance filing to September 1, 2020. These extensions allowed time to gather meaningful input from interested stakeholders at an August 2020 collaborative, which impacted the final versions of the Billing Upgrade Report and the Net Crediting Manuals.

Pursuant to Ordering Clause No. 8, the Company submits net crediting tariff revisions on not less than 30 days’ notice, to become effective on October 1, 2020.

As directed by Ordering Clause No. 12, the requirements of Public Service Law 66(12)(b) and 16 NYCRR 720-8.1, related to newspaper publication of the tariff amendments described by Ordering Clause No. 8, are waived. This filing is made in accordance with Appendix 7-H (electronic filing system) to the New York’s Codes, Rules and Regulations (16 NYCRR). A red-lined version of the tariff leaves is provided in the Attachment.
