Office of the Secretary, 19th Floor

Subject: Case 09-M-0311-Order Implementing Revised Temporary State Assessment

Dear Secretary Burgess:

The attached leaf, issued by Niagara Mohawk Power Corporation, d/b/a National Grid ("Company"), is being transmitted for filing in accordance with the requirements of the Public Service Commission ("Commission"), State of New York.

Eighth Revised Leaf No. 263.1

To PSC No. 220 Electricity

Effective: July 17, 2015

The purpose of this filing is of a housekeeping/conforming nature to propose a clarifying revision to Rule No. 56-Incremental State Assessment Surcharge/Credit ("ISAS").

Specifically, Rule No. 56.3 states that the ISAS statement will be shown on statements filed with the Public Service Commission not less than 15 business days before the statement is proposed to become effective. As per the order issued in Case 09-M-0311, issued June 18, 2014, Ordering Clause No. 1 directed the Company to file annual changes to their Temporary State Assessment Surcharge tariff statements to become effective on 15 days' notice. The Company is proposing revising the above leaf to remove 15 business days to 15 day's notice in accordance with this order.

Because of the housekeeping nature of this filing, waiver of the newspaper publication requirements of PSL § 66-12 and 16 NYCRR Part 720.8 is requested for this filing.

Please contact the undersigned of any action taken regarding this filing.

Sincerely;
