**RE: Case 15-E-0034-Tariff Filings to Effectuate Amendments to Public Service Law §66-j and
Conforming Changes to the Standard Interconnection Requirements – Notice Establishing
Filing Requirements**

Dear Secretary Burgess:

The enclosed leaves, issued by Niagara Mohawk Power Corporation d/b/a National Grid (“National Grid”), are being transmitted for filing in accordance with the requirements of the New York State Public Service Commission (“Commission”).

Eighth Revised Leaf 197
Seventh Revised Leaf 199
Second Revised 199.1.1

To PSC No. 220 Electricity

Effective: July 27, 2015

On January 15, 2015, the Commission issued the above notice directing the major electric utilities to make the filings necessary to conform their tariffs to the new requirements to Public Service Law §66-j regarding the net energy metering of non-residential farm waste and fuel cell electric generating equipment to become effective June 10, 2015. On February 17, 2015, a further notice was issued by the Commission granting a 45 day extension and requiring tariff leaves to be filed by April 3, 2015 with an effective date of July 27, 2015.

The proposed revisions comply with this notice and set forth the changes to Rule No. 36 of PSC No. 220 Electricity. These revisions are scheduled to become effective July 27, 2015.

Attachment 1 included with filing contains redlined leaves showing the revisions made to the above leaves.

If you have any questions concerning this filing, please call Patricia Rivers at (315) 428-6833.

Sincerely,

/s/ Patricia J. Rivers
