Re: Case No. 14-G-0371 – Tariff filing by Niagara Mohawk Power Corporation d/b/a National Grid to make housekeeping changes to General Information Section I - Definitions and Abbreviations contained in P.S.C. No. 219 - Gas.

Dear Secretary Burgess:

Enclosed are the following tariff leaves transmitted for filing by Niagara Mohawk Power Corporation d/b/a National Grid ("Company") to become effective April 1, 2015:

Second Revised Leaf No. 11
To Schedule for Gas Service, P.S.C. 219-GAS

On August 18, 2014, the Company filed tariff revisions in the above-referenced case to define the Company's incremental cost of gas and to modify the format of General Information Section I – Definitions and Abbreviations, which were originally set to take effect on November 1, 2014. On September 9, 2014, the Company filed to postpone the effective date of the tariff revisions until March 1, 2015. After discussion with Staff of the Department of Public Service ("Staff"), the Company further postponed the effective date of the tariff filing until April 1, 2015.

The purpose of this filing is to: 1) revise the definition of the Company's incremental cost of gas based on discussions with Staff to be aligned with the definition under the tariffs of The Brooklyn Union Gas Company d/b/a National Grid NY and KeySpan Gas East Corporation d/b/a National Grid; and 2) change the effective date of the August 18 tariff filing from November 1, 2014 to April 1, 2015.

The Company respectfully requests a waiver of the newspaper publication requirement under Public Service Law § 66-12 and 16 NYCRR § 720.8.

Please contact Melissa Nairn with any questions regarding this letter or the enclosure at (929) 324-4587 or Melissa.Nairn@nationalgrid.com.

Respectfully submitted,
