RE: Case 13-E-0573, Demand Response Program Riders S and U

Dear Secretary Burgess:

Consolidated Edison Company of New York, Inc. (“Con Edison” or the “Company”) is filing with the Public Service Commission (“Commission”) amendments to its Schedule for Electricity Service, P.S.C. No. 10 – Electricity (“Tariff”), applicable to its customers in the City of New York and the County of Westchester. The Tariff leaves, which are identified below, are filed to become effective on January 15, 2015:

<u>Rider</u>	<u>Leaf No.</u>	<u>Revision No.</u>	<u>Superseding No.</u>
S	257.1	3	1
S	265	5	4
U	282.1	3	1

Background

The Commission’s Order Denying Petition for Rehearing But Granting Reconsideration in Part, issued and effective June 27, 2014, in Case 13-E-0573 (the “2014 Order”) directed the Company to propose a tariff amendment, within sixty days of the 2014 Order’s issuance, describing how the amount of a pledge reduction would correspond to demand savings realized from a completed electric efficiency project by a Direct Customer or Aggregator Network Resource (“ANR”) participating in the Three-Year Incentive Period. The Company filed that change and others in its filing of August 26, 2014.

The Commission’s Order on Proposed Tariff Amendments, issued and effective January 9, 2015, in Case 13-E-0573, (the “2015 Order”), approved the Tariff leaves filed on August 26, 2014, with exception. As indicated in Ordering Clause 1 of the 2015

Order, provision 4 on Leaf 257.1, provision 2.c.ii on Leaf 265, and provision 4 on Leaf 282.1 were not approved.

Tariff Changes

Ordering Clause 2 of the 2015 Order directed the Company make a filing on not less than one day's notice to become effective on January 15, 2015, reflecting the exceptions. Accordingly, this filing makes those changes.

Conclusion and Notice

As directed by Ordering Clause 2 of the 2015 Order, the Company is filing these leaves to become effective on January 15, 2015. Pursuant to Ordering Clause 4, the Commission waived the requirement for newspaper publication of these changes.

Sincerely,

/s/ William A. Atzl, Jr.
Director
Rate Engineering Department
