Re: Case No. 09-M-0311 – Implementation of Chapter 59 of the Laws of 2009 Establishing a Temporary Annual Assessment Pursuant to Public Service Law §18-a(6); City of Jamestown Board of Public Utilities – Annual Changes to Temporary Assessment Surcharge

Dear Secretary Burgess:

Pursuant to Section 18-a(6) of the Public Service Law, the Order in Case 09-M-0311 “Implementation of Chapter 59 of the Laws of 2009 Establishing a Temporary Annual Assessment Pursuant to Public Service Law Section 18-a(6)”, and the June 18, 2014 Order Implementing Revised Temporary State Assessment, the City of Jamestown Board of Public Utilities (“BPU”) hereby submits for filing revised tariff leaves and Appendix C to implement a revised surcharge to recover the Temporary State Energy and Utility Service Conservation Assessment (Public Service Law [“PSL”] §18-a[6]) (“TSA”).

After a PSC in-house review of our 18-a summary submittal (reference ETS Submission ID No. 2777719 with a filing date of July 7, 2014), it was determined that in 2010 and 2011 there was an error in our calculation which resulted in an overcharge to our customers. We are hereby submitting revised tariff leaves for a reduced 18-a TSA charge which will eliminate the overcharge. These revisions are issued as of December 11, 2014, and are proposed to be effective January 1, 2015. Submitted herewith are the original Tariff Leaves.

5th Revised Leaf No. 97, superseding Revision 4
5th Revised Leaf No. 99, superseding Revision 4
5th Revised Leaf No. 102, superseding Revision 4
5th Revised Leaf No. 105, superseding Revision 4
4th Revised Leaf No. 109, superseding Revision 3
7th Revised Leaf No. 125, superseding Revision 5

Newspaper publication was ordered waived in the Order.
