**Re: Case 09-E-0715 – New York State Electric & Gas Corporation Transition Charge Statement**

Dear Secretary Burgess:

In compliance with the Public Service Commission's Order Establishing Rate Plan, issued and effective September 21, 2010, New York State Electric & Gas Corporation ("NYSEG") hereby files the following Transition Charge Statements to be effective April 1, 2014.

TCS Statement No. 112 to PSC 120 Electricity  
TCS Statement No. 112 to PSC 121 Electricity

These statements were originally submitted on March 24, 2014 and are being resubmitted to include a refund associated with the Revenue Sharing Agreement (RSA). The refund was received after the initial setting of the April transition charge.

The filing of changes to the Transition Charge is in accordance with NYSEG's filed tariffs. The Transition Charge Statement will be filed on not less than one day's notice.

Please direct any questions to me at (585) 771-4692.

Very truly yours,

Mark O. Marini
