RE: Case 13-E-0100 – Niagara Mohawk Power Corporation d/b/a National Grid to add  
Clarifying Language to the Underground Residential Distribution Provisions

Dear Secretary Burgess:

The attached leaf, issued by Niagara Mohawk Power Corporation d/b/a National Grid (“Company”), is being transmitted for filing in compliance with the order issued October 18, 2013 by the New York State Public Service Commission (“Commission”) in the above case number (“Order”).

Ninth Revised Leaf No. 100

To P.S.C. No. 220 Electricity

Effective: March 1, 2014

This filing is intended to clarify the Company’s obligations under the New York Codes, Rules and Regulations (16 NYCRR) as to the process to be used going forward to reimburse developers who choose to perform certain trench work. Specifically, Attachment 1 reflects changes to Rule 16.4.4.1 consistent with the Order.

The Company also intends to revise its URD Statement to reflect a per foot rate for developers that elect to perform trench work. The Company will file a revision to the URD Statement as soon as the developer trench rate is finalized.

Also, waiver of newspaper publication required in Section 66(12) (b) of Public Service Law and 16 NYCRR Section 720-8.1 is requested for this filing. Applicant/Developer’s who choose to perform trench work will be advised of this clarification.

Please advise the undersigned of any action taken regarding this filing.

Sincerely,
