Dear Secretary Burgess:

The attached leaves, issued by Niagara Mohawk Power Corporation, d/b/a National Grid ("Company"), are being transmitted for filing in accordance with the requirements of the Public Service Commission ("Commission"), State of New York.

Eighth Revised Leaf No. 222
Fourth Revised Leaf No. 408.5

To PSC No. 220 Electricity

Effective: January 17, 2014

On August 8, 2013, the Company filed Leaf No. 408.5 revising Special Provision O – Special Rule for Certain Grandfathered Deliveries of St. Lawrence Power under SC No. 4. Leaf No. 408.5 was revised to eliminate the word "existing" from Special Provision O and delete the last part of this special provision. It has been determined that Special Provision O was revised in error and it is requested that the original language be reinstated in this tariff leaf.

Also included with this filing is a revision to Rule 42-Merchant Function Charge, Specifically Rule 42.3.1.1.1 has been revised to remove the word "calendar" year that was left in this rule in error and should have been included with the changes in Case 12-E-0201.

Attachment 1 included with this filing contains redlined leaves to show the changes to the above leaves.

Because of the housekeeping/clarifying nature of this filing, waiver of the statutory requirements required under the State Administrative Procedures Act is requested for these leaves to become effective on thirty days notice on January 17, 2014.

Also, because of the housekeeping nature of this filing, waiver of the newspaper publication requirements of PSL §66-12 and 16NYCRR 720.8 is requested for this filing.

Please contact the undersigned of any action taken regarding this filing.

Sincerely;
