Re: Case No. 13-E-0109 – Compliance Tariff Filing of New York State

Electric & Gas Corporation

Dear Secretary Burgess:

The enclosed tariff leaves, issued by New York State Electric & Gas Corporation ("NYSEG" or "the Company"), are being filed in accordance with the New York State Public Service Commission's ("Commission") Order Approving Request and Directing the Filing of Tariff Amendments, issued and effective November 15, 2013, in the above-referenced Case ("the November Order"). The tariff leaves will become effective on January 1, 2014.

Leaf No. 2, Revision 13

Leaf No. 28, Revision 11

Leaf No. 136, Revision 9

Leaf No. 164, Revision 8

Leaf No. 226, Revision 9

Overview of the Filing

NYSEG is filing revisions to its tariffs to allow the combination of low-cost power supply received under the New York Power Authority ("NYPA") programs: High Load Manufacturer Power, Replacement Power, Expansion Power, and Preservation Power programs, with a customer's one-time choice of delivery benefits available under these and/or the Empire Zone or Excelsior Jobs programs on the same load to the extent that customers are eligible to participate in such programs.

If a customer chooses to receive incentive benefits as a participant in the Excelsior Jobs program, but does not qualify for such service in a given year, such customer will receive the delivery service associated with their NYPA power allocation until they re-qualify under the Excelsior Jobs program.

A customer that wants to combine multiple delivery discounts on the same load by participating in multiple economic development programs must demonstrate to the Company a financial need similar to that required to obtain an individually negotiated flexible rate contract. Simply qualifying for multiple delivery discount programs is not a sufficient showing of financial need for the purpose of combining delivery discounts on the same load. NYSEG will not combine delivery discounts to the extent it results in delivery rates that are less than the marginal cost of delivery service.

Newspaper Publication

In accordance with Ordering Clause 2 of the November Order, the requirements of 66(12)(b) of the Public Service Law and 16 NYCRR §720-8.1 requiring newspaper publication has been waived.
