Re: Case No. 13-G-0016 – Order Approving Deferred Payment Agreement

Dear Secretary Brilling:

National Fuel Gas Distribution Corporation (“Distribution” or the “Company”) submits the following revisions to its tariff, P.S.C. No. 8 - GAS:

Leaf No. 48	Revision 3
Leaf No. 115.2	Revision 1
Leaf No. 115.3	Revision 1
Leaf No. 115.4	Revision 1

The proposed revision is issued as of today for an effective date of April 24, 2013.

This is a compliance filing based on the Order Issued and Effective April 18, 2013. This filing establishes a pilot program that would allow customers to execute a Deferred Payment Agreement (“DPA”) by electronic signature. The Commission modified certain tariff pages in the Order which are included in the proposed tariff revisions. Also, the Company is required to file quarterly reports on the status of electronic DPAs and develop a survey to assess customer satisfaction. The program will be assessed after one year and a proposal will be made to modify or make the program permanent.

The requirements of Section 66 (12) (b) of the Public Service Law as to newspaper publication of the changes in this filing are waived per the Order.

For questions relating to this filing, please contact the undersigned at (716) 857-7325 or Thomas Clark at (716) 857-7008.

Respectfully submitted,

Kenneth M. Gossel  
Deputy General Counsel
