Secretary

Three Empire State Plaza, 19th Floor
Albany, New York 12223-1350

Dear Secretary Burgess:

Enclosed are the following tariff leaves transmitted for filing by Niagara Mohawk Power Corporation d/b/a National Grid ("Company") in accordance with the requirements of the New York State Public Service Commission ("Commission"):

Eleventh Revised Leaf No. 96
Fifth Revised Leaf No. 96.1
To Schedule for Gas Service, P.S.C. 219-GAS
Effective: September 1, 2014

The purpose of this filing is of a housekeeping nature to integrate the above tariff leaves that were revised in two separate filings.

On September 12, 2013, the Company filed tariff leaves in Case 13-G-0276 to streamline and clarify the method the Company uses to credit customer refunds it receives from gas suppliers, pipeline transporters and storage providers. The tariff leaves were filed to become effective on November 1, 2013. After discussions with Staff of the Department of Public Service, the Company filed Supplement No. 30 on January 2, 2014 to postpone the effective date to March 1, 2014.

Additionally, the Company filed tariff leaves on January 29, 2014 in Case 14-G-0031 to clarify provisions related to the calculation of the monthly cost of gas and the annual reconciliation of purchased gas expenses and gas cost recoveries to become effective on June 1, 2014.

The January 2 and January 29, 2014 filings included revisions to Leaf Nos. 96 and 96.1. The Company inadvertently omitted integrating the changes to coincide. Waiver of the newspaper publication requirement of PSL § 66-12 and 16 NYCRR § 720.8 is hereby requested for this filing.

Honorable Secretary Burgess
