Honorable Kathleen H. Burgess  
Secretary  
State of New York  
Public Service Commission  
Three Empire State Plaza

Dear Secretary Burgess:

Orange and Rockland Utilities, Inc. ("O&R" or the "Company") hereby submits for filing 1st Revised Leaf No. 80.3.3 to its Schedule for Gas Service, PSC No. 4 – Gas ("Gas Tariff"). The tariff leaf filed electronically today is to become effective on August 20, 2014.

Reasons for the Proposed Change

On May 14, 2014, O&R filed tariff leaves containing proposed revisions to its Gas Tariff ("May 2014 Filing"). The purpose of the May 2014 Filing was to add a supplier refund provision to General Information Section No. 12.2, Monthly Gas Adjustment, of the Gas Tariff. The tariff revisions included in the May 2014 Filing are scheduled to become effective August 20, 2014.

After reviewing the May 2014 Filing with Commission Staff, the Company realized that a housekeeping change was required to the one of the filed tariff leaves, Original Leaf No. 80.3.3, to remove a sentence that was inadvertently included.

Notices

The Company is currently publishing notice of the May 2014 Filing. Since this change is of a housekeeping nature, the Company respectfully requests waiver from the Commission's notice requirements with respect to the tariff change filed today.

Any questions regarding this filing can be directed to Cheryl Ruggiero at (212) 460-3189.

Very truly yours,

/s/
