

April 4, 2014

Honorable Kathleen H. Burgess, Secretary
State of New York
Public Service Commission
Office of the Secretary
Three Empire State Plaza
Albany, NY 12223

Dear Secretary Burgess:

The attached leaves, issued by Niagara Mohawk Power Corporation, d/b/a National Grid ("Company"), are being transmitted for filing in accordance with the requirements of the Public Service Commission ("Commission"), State of New York.

Fifth Revised Leaf No. 222.1
Fifth Revised Leaf No. 222.2

To P.S.C. No. 220 Electricity

Effective: May 9, 2014

The purpose of this filing is of a housekeeping/conforming nature to propose minor revisions to the above leaves. Specifically, the above leaves contain clarifying revisions to Rule No. 42 - Merchant Function Charge ("MFC"). Specifically, the following changes are proposed:

- 1) Leaf 222.1 – Rule No. 42.3.3.1 has been revised to more clearly state how the Merchant Function Charge is applied to the Electricity Supply Uncollectible Expense.
- 2) Leaf No. 222.2 – Rule No. 42.3.4.1 has also been revised to more clearly state how the Merchant Function Charge is applied to the Working Capital on Purchased Power Costs and to remove the factors from the tariff. The factors in the tariff are redundant since these factors are included in the filed Statement of Merchant Function Charge Statement.

Attachment 1 included with this filing contains redlined leaves to show where the changes to the above leaves have occurred.

Because of the housekeeping/clarifying nature of this filing, waiver of the statutory requirements required under the State Administrative Procedures Act is requested for these leaves to become effective on May 9, 2014.

Also, because of the housekeeping nature of this filing, waiver of the newspaper publication requirements of PSL §66-12 and 16NYCRR 720.8 is requested for this filing.

Please contact the undersigned of any action taken regarding this filing.

Sincerely;

/s/ Patricia J. Rivers
