Re: Case 16-E-0656 - Rate Filing of Municipal Commission of Boonville to Increase its Annual Electric Revenues by \$161,477 or 4.2%

Dear Secretary Burgess:

On behalf of the Municipal Commission of Boonville - Electric Department ("Boonville"), in accordance with the provision of the New York State Public Service Law and the Public Service Commission's ("Commission") regulations, the following tariff leaf is being revised: Leaf Nos. 20. This leaf should have been revised as part of the originally filing but was omitted on oversight. The leaf is a customer application form that needs to be filled out when a customer requests service for a private outdoor light. The leaf lists the rates for service which are also listed on Leaf No. 15 and that leaf and its proposed rates have been published in the newspaper for four consecutive weeks. A redlined version of the leaf is also attached. Accordingly, Boonville requests that you accept this revised leaf and grant a waiver of newspaper publication for the revision.

Respectfully submitted,
For the Municipal Commission
of Boonville
