Re: New York American Water Company, Inc., f/k/a Long Island Water Corporation,
System Improvement Charge (SIC) Surcharge – SIC Reconciliation Mechanism for the
Rate Year ended March 31, 2016
Case No. 11-W-0200 AND

In the Matter of the Petition of New York American Water Company, Inc. for an Update
to its System Improvement Charge
Case No. 14-W-0489

Dear Secretary Burgess:

Enclosed herewith for filing is Statement No. 11 of the System Improvement Charge on behalf of New York American Water Company, Inc., f/k/a Long Island Water Corporation, effective November 5, 2016. This tariff filing reduces the SIC surcharge to 5.61% beginning August 1, 2016, pursuant to the attached letter dated July 21, 2016, from Michael J. Rieder, Chief, Gas and Water Rates: 3.57% for projects approved for future recover in Case 11-W-0200, and 2.04% for the additional projects approved for future recovery via the SIC surcharge in Case 14-W-0489 per the Commission's Order in that matter, issued and effective August 14, 2015. Please note that the 1.02% decrease mandated by Mr. Rieder's letter was implemented as of August 1, 2016, however, due to an administrative error, the revised statement that was believed to have been filed as directed was inadvertently not filed with the Commission at that time.

Respectfully submitted,

/s/ Suzana Duby
