RE: Case No. 14-E-0493, Proceeding on Motion of the
Commission as to the Rates, Charges, Rules and
Regulations of Orange and Rockland Utilities, Inc. for
Electric Service

Dear Secretary Burgess:

Orange and Rockland Utilities, Inc. (the "Company") hereby submits for filing Statement RDM-8 to its Schedule for Electric Service, P.S.C. No. 3 – ELECTRICITY ("Electric Tariff"). This statement is issued November 21, 2016 to become effective December 1, 2016.

The purpose of this filing is to implement the reconciliation of the Company's electric revenue decoupling mechanism for the period July 1, 2015 through October 31, 2015 ("Stub Period") and November 1, 2015 through October 31, 2016 ("Rate Year 1").

The cumulative net delivery revenue excess for the Stub Period and Rate Year 1 is \$3,197,852, including interest.

Customer group-specific RDM adjustments have been determined to refund this excess net delivery revenue over the twelve-month period commencing December 1, 2016.

Attached as Appendix A to this filing are work papers showing the calculation of the RDM Adjustments set forth on Statement RDM-8.

Questions regarding this filing can be directed to Cheryl Ruggiero at (212) 460-3189.

Very truly yours,

/s/

William A. Atzl, Jr.
Director – Rate Engineering
