**RE: Case 09-M-0114 and Case 09-M-0243, Revenue Adjustment Clause**

Dear Secretary Burgess:

Consolidated Edison Company of New York, Inc. (“Con Edison” or the “Company”) is filing with the Public Service Commission (the “Commission”) amendments to its Schedule for Gas Service, P.S.C. No. 9 – Gas (the “Gas Tariff”), applicable to its customers in Manhattan and the Bronx, the First and Third Wards of Queens, and certain municipalities in the County of Westchester.

The Company’s Gas Tariff amendments are issued to become effective on April 29, 2016. The specific Tariff Leaves and Statements being revised are identified in Appendix A.

**Reason for Filing**

The Commission’s Order Adopting the Terms of a Joint Proposal, issued April 20, 2016, in Case 09-M-0114<sup>1</sup> and Case 09-M-0243<sup>2</sup> (the “2016 Order”) adopted the Joint Proposal set forth in Appendix A of the 2016 Order and concluded the Commission’s review of the Company’s contract-related capital, O&M and related expenditures, as set forth in the Commission’s Order, dated February 12, 2009, in Case 09-M-0114.

**Tariff Changes**

Pursuant to the Rate Adjustment Clause (“RAC”) provision in the Gas Tariff, a portion of the annual rate year revenue requirement was set aside pending the Commission’s review. In addition, the portion of rates and charges in the Gas Tariff that

comprised the RAC was separately identified on the Statement of RAC. Due to the Commission's final determination in this matter, and in order to effectuate the terms of the 2016 Order, the Company is filing changes to the Gas Tariff to eliminate the RAC provision and cancel the associated Statement of RAC.

### **Conclusion and Notice**

Pursuant to Ordering Clause 2 of the 2016 Order, this filing is being made on not less than one day's notice, to become effective on a temporary basis within 14 days of the 2016 Order's issuance.

The Company will publish notice of the proposed tariff changes on May 6, 13, 20, and 27, 2016. Pursuant to Ordering Clause 3 of the 2016 Order, the Commission waived the requirement of Section 66(12)(b) of the Public Service Law that newspaper publication be completed before the effective date of the proposed Gas Tariff amendments.

Copies of this filing are being sent to the active party list in Cases 09-M-0114 and 09-M-0243.

Sincerely,

/s/ William A. Atzl, Jr.  
Director  
Rate Engineering Department
