Dear Secretary Burgess:

Consolidated Edison Company of New York, Inc. (“Con Edison” or the “Company”) hereby submits for filing with the Public Service Commission (the “Commission”) the following tariff leaves proposing revisions to its Schedule for Gas Service, P.S.C. No. 9 – Gas (the “Gas Tariff”).

<u>Leaf No.</u>	<u>Revision No.</u>	<u>Superseding Revision No.</u>
154.6	16	14
154.8	16	14
154.9	19	17

The revised tariff leaves are proposed to become effective on April 22, 2016.

Reasons for Proposed Tariff Modifications

This filing is to combine Commission approved language in two separate tariff filings. The language to be combined on the proposed leaves includes the Company’s RY3 compliance filing in Case 13-G-0031 approved by the Commission in an Order issued and effective March 21, 2016 and the Company’s Rider H tariff filing in Case 15-G-0601 approved by the Commission in an Order issued and effective March 21, 2016.

Conclusion and Notice

Due to the housekeeping nature of this filing, the Company respectfully requests that the Commission waive the requirement of newspaper publication of the changes proposed herein.

Sincerely,
