Re: Case 15-M-0252 – In the Matter of Utility Energy Efficiency Programs
Case 14-M-0094 – Proceeding on Motion of the Commission to Consider a Clean Energy Fund
Case 07-M-0548 – Proceeding on Motion of the Commission Regarding an Energy Efficiency Portfolio Standard

Dear Secretary Burgess,

Pursuant to the New York State Public Service Commission's Order Authorizing the Clean Energy Fund Framework, issued and effective January 21, 2016, and Order Authorizing Utility-Administered Energy Efficiency Portfolio Budgets and Targets For 2016-2018, issued and effective January 22, 2016, National Fuel Gas Distribution Corporation ("Distribution" or the "Company") submits the instant amendments to its tariff, P.S.C. No. 8 – GAS:

Leaf No. 148.9	Revision 13
Leaf No. 300	Revision 7
Leaf No. 305	Revision 6

It should be noted that Leaf No. 300 and Leaf No. 305 have been updated to include a reference to the content contained in Section 47 of the Company's tariff (content contained in Leaf No. 148.9). This reference was inadvertently omitted from Revision 6 of Leaf No. 300 and Revision 5 of Leaf No. 305. The Company requests that the above tariff revisions be approved and, pursuant to the aforementioned Orders, become effective March 1, 2016. It should also be noted that both of the aforementioned Orders have waived the requirements of §66 (12) (b) of Public Service Law pertaining to newspaper publication. Any questions regarding this filing can be directed to the undersigned at (716) 857-7440 or at crahene@natfuel.com.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "E. Crahen".
