Re: Proposed Revisions in Case No. 15-E-0184 – City of Jamestown Board of Public Utilities - Application for a Mini-Rate Case and Disposition of Dismantling Fund and Proposed Restricted Capital Projects and Overhaul Fund

Dear Secretary Burgess:

As a result of further review and subsequent discussions with Staff, The City of Jamestown Board of Public Utilities (BPU) proposes additional revisions, attached hereto, to the BPU's tariffs for Purchase of Renewable Energy from New Distributed Generators and LED lighting rates. The BPU is withdrawing the LED lighting rates in order to reconsider and refine said rates. The BPU plans to resubmit the LED lighting rates in a separate filing in or about 90 days from the date of this letter.

Second Revised Leaf No. 94, effective March 1, 2016
Eighth Revised Leaf No. 105, effective March 1, 2016
Second Revised Leaf No. 106, effective March 1, 2016
Second Revised Leaf No. 108, effective March 1, 2016
Seventh Revised Leaf No. 109, effective March 1, 2016
First Revised Leaf No. 109.1, effective March 1, 2016
Second Revised Leaf No. 131, effective March 1, 2016
Second Revised Leaf No. 132, effective March 1, 2016

The City of Jamestown Board of Public Utilities also requests a waiver of newspaper publication for the further revisions.

Respectfully submitted,
