Re: In the Matter of Retail Access Business Rules

Dear Secretary Burgess:

Orange and Rockland Utilities, Inc. (the "Company") is filing today with the Public Service Commission (the "Commission") a revised addendum, Addendum-UBP-6, to its Schedule for Electric Service, P.S.C. No. 3 – Electricity (the "Tariff").

The Commission's Order Authorizing Accelerated Switching of Natural Gas Commodity Suppliers And Related Matters (the "Order"), issued and effective December 23, 2015, in Cases 12-M-0476, 98-M-1343, 06-M-0647, and 98-M-0667, approved a change to the Uniform Business Practices (the "UBP") relating to the requirements of when an enrollment request must be submitted to the utility to change a customer's natural gas commodity provider. The approved change to the UBP modified that timeframe from at least 15 days prior to the effective date of the switch, to at least 10 business days prior to the effective date of the switch. Pursuant to Ordering Clause 2 of the Order, the Company is filing the updated UBP as an addendum to its Tariff.

Pursuant to the Order, the Company is filing the updated UBP to become effective on March 1, 2016. The Company respectfully requests waiver of the requirement for newspaper publication.

Questions regarding this filing can be directed to Cheryl Ruggiero at (212) 460-3189.

Very truly yours,

William A. Atzl, Jr.
Director – Rate Engineering
