RE: CASE 15-E-0307 – Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations of Massena Electric Department for Electric Service.

Dear Secretary Burgess:

Attached is a further revision to the compliance filing made on May 1, 2016 pursuant to Commission Order issued April 21, 2016. Third Revised Leaf No. 21 contains a revision to the wording of the tariff's applicability. It came to the attention of Massena Electric Department that there was a typographical error in the language when the compliance filing was made. The revision does not impact the rates that customers would pay for Street lighting Service.

If you have any questions please do not hesitate to call me at (518) 431-8480.

Very truly yours,  
Hudson River Energy Group  
for Massena Electric Department
