RE: Case 19-E-0079, In the Matter of the Continuation of Standby
Rate Exemptions

Dear Secretary Phillips:

Orange and Rockland Utilities, Inc. (the "Company") hereby submits for filing with the Public Service Commission (the "Commission") 7th Revised Leaf No. 249.1 to the Company's Schedule for Electric Service, P.S.C. No. 3 – ELECTRICITY (the "Electric Tariff"). This tariff leaf is issued July 20, 2023, to become effective July 21, 2023.

This filing is a further revision to the May 31, 2023 filing made in compliance with the Commission's Order Continuing and Modifying Standby Rate Exemptions (the "Exemption Order"), issued and effective May 18, 2023, in the above referenced proceeding.

The Company is making this housekeeping filing to incorporate tariff revisions that became effective on July 1, 2023, as approved by the Commission in its March 17, 2023 Order Approving Tariff Modifications in Case 22-E-0549,¹ with the tariff revisions that became effective on June 1, 2023, in Case 19-E-0079.² The Electric Tariff leaf being filed today incorporates the language from both filings.

Conclusion and Notice

As directed by Ordering Clause 1 of the Exemption Order, this filing is being made on not less than one days' notice to become effective on a temporary basis on July 21, 2023. The Company respectfully requests a waiver of the requirement for newspaper publication for this filing as the proposed change is housekeeping in nature.

¹ *In the Matter of the Federal Energy Regulatory Commission (FERC) Order Nos. 2222 and 841, to Modify Rules Related to Distributed Energy Resources.*

² The compliance filing was made on May 31, 2023.
