Purpose of Filing

The Companies are filing revisions to their respective electric and gas tariffs to implement certain changes necessary for the Companies to adhere to the requirements of the Order Modifying Community Choice Aggregation Programs and Establishing Further Process issued under Case No. 14-M-0224 on January 19, 2023.

The changes include:

1. Removing the privacy screen for Community Choice Aggregation (“CCA”) aggregated customer data provided by the CCA Administrator or the Companies, as well as including customer meter read cycle information in such aggregated data;

The Companies respectfully request the requirements of Section 66(12)(b) of the Public Service Law and 16 NYCRR Section 720-8.1 regarding newspaper publication be waived as the changes do not affect customer bills and will be communicated to the CCA administrators directly.
