Re: Case No. 15-E-0751 – In the Matter of the Value of Distributed Energy Resources.

Dear Secretary Phillips:

New York State Electric & Gas Corporation (“NYSEG”) and Rochester Gas and Electric Corporation (“RG&E”), (together the “Companies”), are submitting this filing in compliance with the New York State Public Service Commission’s (the “Commission”) Order Adopting Net Metering Successor Tariff Filings with Modifications, issued and effective on August 13, 2021 (the “Order”), in the above-referenced proceeding. The Statements will become effective on January 1, 2023.

PSC No. 120 – Electric
CBC Statement No. 3

PSC No. 19 – Electric
CBC Statement No. 3

Purpose of Filing

The Companies are filing the Customer Benefit Contribution charge (CBC) Statements in compliance with Ordering Clause No. 2 of the Order and the Companies tariffs¹.

¹ NYSEG Tariff Schedule P.S.C. No. 120, General Information Sections 40.A and 40.B; RG&E’s tariff Schedule P.S.C. No. 19, General Information Sections 26.A and 26.B.

The CBC Charge recovers the costs associated with certain public benefit programs (*i.e.*, low income program, energy efficiency programs, and the clean energy programs) from non-demand billed customers installing NEM eligible on-site generation projects on or after January 1, 2022. The CBC Charge cannot be offset by credits for the customer's excess generation.
