Honorable Michelle Phillips, Secretary
State of New York
Public Service Commission
Office of the Secretary, 19th Floor
Three Empire State Plaza
Albany, New York 12223-1350

**RE: Case 20-G-0381– Proceeding on Motion of the Commission as to the Rates,
Charges, Rules and Regulations of Niagara Mohawk Power Corporation d/b/a
National Grid for Gas Service**

**Gas Safety and Reliability Surcharge (“GSRS”) for Niagara Mohawk Power
Corporation d/b/a National Grid for Gas Service**

Dear Secretary Phillips:

Niagara Mohawk Power Corporation d/b/a National Grid (“the Company”) hereby submits its Statement of Gas Safety and Reliability Surcharge (“GSRS”) in compliance with Section 4.4 of the Joint Proposal approved by the Commission in the above-referenced case, as well as Rule 39 of the Company’s tariff, PSC No. 219 – Gas. The GSRS allows the Company to recover the cost of incremental leak prone pipe replacement.

The Company has calculated the GSRS related to Rate Year 1 (July 2021 – June 2022), including the prior year total imbalance, with rates to be effective November 1, 2022. Since the GSRS rate is one of the components included in the Statement of Delivery Service Adjustment (“DSA”), the DSA has been updated accordingly.

Statement of Gas Safety and Reliability Surcharge (GSRS) No. 5

Statement of Delivery Service Adjustment (DSA) No. 8

To PSC No. 219 Gas

Effective: November 1, 2022

Attachment 1 contains the calculations used to develop the GSRS Surcharge.

Respectfully Submitted,

/s/ Melissa M. Barnes
