**RE: Case 18-E-0130 et al., In the Matter of Energy Storage Deployment Program**

Dear Secretary Phillips:

Consolidated Edison Company of New York, Inc. (the “Company”) is filing with the Public Service Commission (the “Commission”) amendments to its Schedule for Electricity Service, P.S.C. No. 10 – Electricity (the “Electric Tariff”), applicable to its customers in the City of New York and the County of Westchester. The Company is also filing amendments to its Schedule for PASNY Delivery Service, P.S.C. No. 12 – Electricity (the “PASNY Tariff”),<sup>1</sup> applicable to delivery by the Company of power and associated energy to Authority Public Customers under the PASNY Tariff.

The revised Electric Tariff and PASNY Tariff Leaves, which are identified below, are filed to become effective on November 1, 2022.

Electric Tariff Leaf:

| <u>Leaf No.</u> | <u>Revision No.</u> | <u>Superseding No.</u> |
|-----------------|---------------------|------------------------|
| 343.2           | 5                   | 4                      |

PASNY Tariff Leaf:

| <u>Leaf No.</u> | <u>Revision No.</u> | <u>Superseding No.</u> |
|-----------------|---------------------|------------------------|
| 26.5            | 3                   | 2                      |

**Reason for Filing**

This filing is made pursuant to the Commission’s *Order Approving Energy Storage Resource Participation in Wholesale Markets*, issued and effective August 16, 2022, in the above-referenced cases (the “Order”). The Order authorized the Company to operate its energy storage systems to bid energy, capacity, and/or ancillary services into the New York Independent System

---

<sup>1</sup> This Schedule is also titled, “Delivery Service Rate Schedule Implementing and Part of the Service Agreement between the Power Authority of the State of New York (“PASNY” or “NYPA”) and Consolidated Edison Company of New York, Inc. (the “Company”) dated March 10, 1989, for the Delivery by the Company of Power and Associated Energy to Authority Public Customers.”

Operator administered wholesale markets when not being operated for system reliability. The Order also specified that 100 percent of the net revenues associated with the dispatch of Company-owned energy storage systems be allocated to the Company's customers.

### **Tariff Changes**

Pursuant to the Order, the Company revised the Electric Tariff and the PASNY Tariff to allocate to customers 100 percent of the net revenues associated with the dispatch and wholesale marketing of the energy, capacity and/or ancillary services of Company-owned energy storage systems, less any costs incurred to do so. Net revenues will be allocated to customers through the Company's: (1) Monthly Adjustment Clause of the Electric Tariff, which applies to all delivery customers excluding the New York Power Authority ("NYPA"); and (2) Statement of Other Charges and Adjustments of the PASNY Tariff, which is applicable only to NYPA.

### **Conclusion and Notice**

Pursuant to Ordering Clause 1 of the Order, the Company is filing these changes to become effective on November 1, 2022, on not less than 10 days' notice. Pursuant to Ordering Clause 4 of the Order, the Commission waived the requirement for newspaper publication of these changes.

Any questions regarding this filing can be directed to Ricky Joe at (212) 460-4995.

Very truly yours,

/s/ William A. Atzl, Jr.
