Re: Central Hudson Low Income Bill Discounts

Dear Secretary Phillips:

The statement set forth below is filed by Central Hudson Gas & Electric Corporation ("Central Hudson" or the "Company") on November 28, 2022 to become effective December 1, 2022.

**P.S.C. No.15 – Electricity**  
Statement of Low Income Bill Discount Monthly Credits      LIC-3

Pursuant to the Company's P.S.C. No. 15 – Electric tariff, the low-income bill discount monthly credits that will be provided to customers under this program will be filed with the Public Service Commission annually on the Statement of Low-Income Bill Discount Monthly Credits (LIC) by November 1 to become effective December 1.

The purpose of this filing is to make revisions to the previously filed statement on November 1, 2022 due to an inadvertent omission when updating the calculations. When bill discounts were recalculated, the electric tier one heating and non-heating discounts were reduced by more than 20%, therefore, the Company is complying with the "glide rule" and limiting the decrease to 20%.

Questions related to this filing should be addressed to Taylor Alonso at 845-486-5554 or [talonso@cenhud.com](mailto:talonso@cenhud.com).

Very truly yours,

Christopher M. Capone  
Executive Vice President
