Re: Statement of Value of Distributed Energy Resources – Cost Recovery

Dear Secretary Phillips:

In accordance with General Information Section 29 of P.S.C. No. 15 – Electricity, the Statement of Value of Distributed Energy Resources – Cost Recovery listed below is filed to become effective November 10, 2022, on not less than three days' notice:

PSC No. 15 – Electricity

Statement of Value of Distributed Energy Resources – Cost Recovery – VDER-CR 54

The purpose of this filing is to revise the applicable factors to recover the actual costs associated with compensation paid under the Value Stack provision of General Information Section 48.B, Value of Distributed Energy Resources in October 2022. These costs were combined with the reconciled costs for the month of July 2022 for which collections were completed in October. This compensation will be recovered through the Market Price Charge and Miscellaneous Charge components of the Energy Cost Adjustment Mechanism, which were also filed today to become effective November 10, 2022.

Questions related to this filing should be directed to Darlene Clay at [dclay@cenhud.com](mailto:dclay@cenhud.com) or at (845) 486-5466.

Yours very truly,

Christopher M. Capone
