RE: Case 20-G-0381 – Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations of Niagara Mohawk Power Corporation d/b/a National Grid for Gas Service – Firm Demand Response Programs

Dear Secretary Phillips:

In accordance with the New York Public Service Commission's *Order Authorizing Tariff Amendments Regarding Gas Demand Response Programs For Firm Gas Customers* ("Order") (issued and effective October 13, 2022) in the above-referenced case, Niagara Mohawk Power Corporation d/b/a National Grid (the "Company") filed compliance tariff leaves and statement to become effective on November 1, 2022.

In that filing, the Demand Response Incentive Rates Statement ("DRIS") was inadvertently placed in the Demand Response Surcharge Mechanism Statement ("DRSM") section in the Electronic Tariff System ("ETS"). The purpose of this filing is to refile the DRIS in the correct section in ETS.

Any questions regarding this filing should be directed to me at (917) 612-8964 or at Dawn.Herrity@nationalgrid.com.

Sincerely,

/s/ Dawn Herrity
