Albany, NY 12223-1350

RE: Case 20-G-0381 – Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations of Niagara Mohawk Power Corporation d/b/a National Grid for Gas Service

Dear Secretary Phillips:

In accordance with the Order Adopting Terms of Joint Proposal, Establishing Rate Plans and *Reporting Requirements* (issued and effective January 20, 2022) in Case 20-G-0381 (the “Order”), Niagara Mohawk Power Corporation d/b/a National Grid (the “Company”) submits for filing the gas tariff leaf shown below for filing in accordance with the requirements of the New York State Public Service Commission (“Commission”) to become effective September 12, 2022:

Fifteenth Revised Leaf No. 122.2
To P.S.C. 219-GAS
Effective: 09/12/2022

Specifically, Ordering Clause No. 5 directed the Company to file, on not less than 30 days’ notice, tariff revisions necessary to effectuate the provisions adopted by the Order for Rate Year Two, the twelve-month period ending June 30, 2023, to take effect on a temporary basis on September 12, 2022.

The amended leaf contains further revisions to correctly list the Revenue Decoupling Mechanism targets for Rate Year Two and Rate Year Three that are reflected in the Commission’s Order in Case No. 20-G-0381 issued on January 20, 2022.

Given that the Company already published Rate Year Two rates, waiver of the newspaper publication requirements of PSL §66-12 and 16 NYCRR 720.8 is requested for this filing.

Any questions regarding this filing should be directed to me at (917) 612-8964 or at Dawn.Herrity@nationalgrid.com.

Sincerely,

/s/ Dawn M. Herrity
