Honorable Michelle L. Phillips, Secretary  
State of New York Public Service Commission  
Three Empire State Plaza  
Albany, NY 12223-1350

Dear Secretary Phillips:

The enclosed statements are issued by Central Hudson Gas & Electric Corporation and transmitted for filing in compliance with the requirements of the Public Service Commission of the State of New York regarding change in adjustments.

PSC No. 12 - Gas

<u>Statement</u>	<u>Number</u>	<u>Applicable to Service Classes</u>
Statement of Gas Miscellaneous Charge	MISC- 50	1, 2, 6, 11, 12, 13, 15 &16

Statement MISC-50, applicable to Service Classification Nos. 1, 2, 6, 11, 12, 13,15, &16 will become effective on July 1, 2022 due to certain rate changes related to Rate Year 2 of the Company's rate plan.

Pursuant to Order in Case 17-G-0460 dated June 14, 2018, a new Gas Miscellaneous Charge mechanism was implemented to address the recovery and refund of new initiatives including interruptible refunds or surcharges applicable to Service Classification No. 11 customers, Gas Rate Adjustment Mechanism ("RAM") and Earnings Adjustment Mechanism ("EAM") incentives.

Pursuant to Case 20-G-0429, the EAM twelve-month recovery period commences with the first billing batch of September instead of July. Therefore, for the month of July 2022, the EAM rates on the MISC-50 statement have been set to zero to reflect the new recovery period starting September-August.

Pursuant to Case 20-G-0429, the Gas Makewhole provision was put in place on December 1, 2021 to ensure the Company was restored to the same financial position by June 30, 2022 had new delivery rates gone into effect on July 1, 2021. Since the recovery period has ended, the rates have been removed from MISC-50 statement entirely.

Finally, the RAM factors have been updated to reflect the RAM balances eligible for collection as identified in the RAM Compliance Filing made on March 31, 2022.

Yours very truly,

Christopher M. Capone  
Executive Vice President & CFO
