Honorable Michelle L. Phillips, Secretary  
 State of New York Public Service Commission  
 Three Empire State Plaza  
 Albany, NY 12223-1350

Dear Secretary Phillips:

The enclosed statements are issued by Central Hudson Gas & Electric Corporation and transmitted for filing in compliance with the requirements of the Public Service Commission of the State of New York regarding change in adjustments.

PSC No. 12 - Gas

<u>Statement</u>	<u>Number</u>	<u>Applicable to Service Classes</u>
Statement of Gas Supply Charge	GSC – 256	1 & 2
Statement of Interruptible Gas Transportation Rates	ITR – 279	9
Statement of Firm Transportation Rates	FTR – 285	6, 11, 12 & 13
Statement of Interruptible Gas Rates	IGR – 286	8
Statement of Gas Miscellaneous Charge	MISC- 48	1, 2, 6, 11, 12, 13, 15 & 16

Statements GSC-256 and FTR-285, applicable to Service Classification Nos. 1, 2, 6, 11, 12 and 13 will become effective on May 2, 2022. Statement FTR-285 includes the Weighted Average Cost of Capacity and the WBS Weighted Average Cost of Storage. The monthly GSC statements from January through April of 2022 had included an interim surcharge to collect for spot and peaking purchases on a one-month lag from the time the costs were incurred. The interim surcharge, which was intended to be collected through August 31, 2022, was removed from Statement GSC-256 in an effort to mitigate bill pressure in the immediate term. The costs will be recovered over a twelve-month calendar year period once reconciled after the completion of the annual gas year in August. Statements IGR-286 and ITR-279, applicable to Service Classification Nos. 8 and 9, will also become effective on May 2, 2022.

Pursuant to Order in Case 17-G-0460 dated June 14, 2018, a new Gas Miscellaneous Charge mechanism was implemented to address the recovery and refund of new initiatives including interruptible refunds or surcharges applicable to Service Classification No. 11 customers, Gas Rate Adjustment Mechanism (“RAM”) and Earnings Adjustment Mechanism (“EAM”) incentives.

Appendix 7-H related to GSC-256 has been filed with trade secret status directly with the records access officer. Appendix 7-H and Exhibit I related to GSC-256 have also been sent directly to the Commission’s Staff.

Yours very truly,

Christopher M. Capone  
 Executive Vice President & CFO
